

# Do you have dead or dying trees you need to remove?

Apply for up to 100%  
reimbursement to remove dead  
or dying hazard trees

Amador Resource Conservation District has a program to provide **up to 100% reimbursement**, for Amador County property owners east of HWY 49, to help pay for the removal of dead or dying hazard trees on their property that could fall on an inhabited structure.

**For More Information**  
visit the Amador RCD website  
[www.AmadorRCD.org](http://www.AmadorRCD.org)  
or contact the District  
[Amanda@AmadorRCD.org](mailto:Amanda@AmadorRCD.org)  
(916) 562-0204

Funding for this project is  
provided by CALFIRE,  
SRA and Tree Mortality  
Grant Program.
